#### Example

Secondly, there are several geographical areas involved in this illegal activity. Looking at the main ones, Mexico and China, their acts affect both landforms and humans from their area. The usage of the landforms that are found in these countries is affected by illegal trades. If the ecosystem is affected by

**Michael Smit**  
Good points. You're doing well at tying your essay to the assignment prompt.

We **welcome** the opportunity to connect with you! Please note, if you would like your work re-reviewed, you will need to submit it to the Writing Center Form. You may contact your editors if you have **specific questions** for them on your feedback.
